Examiner Beaulieu,

As a follow up to our interview yesterday in the above mentioned case we have prepared a response as per your request. Please review the attached material.

We would like to follow up with you Monday or Tuesday of next week if possible.

Thank you for your efforts.

Yours sincerely,

Vladimir Sherman

**SUPPLEMENTAL AMENDMENT AND INTERVIEW SUMMARY**

Assistant Commissioner for Patents  
Washington, DC 20231

Sir:

This paper is a further response to the Office Action dated December 31, 2001, issued by the United States Patent and Trademark Office in connection with the above-identified Application, and reflects a telephone interview held on July 24, 2002.

Kindly amend the above identified application as follows:

In the Claims:

Please amend the claims as follows:

25. An apparatus comprising:

a voice recognition unit to output at least one first command from at least one command data set;

a handwriting recognition unit to output at least one second command from said at least one command data set; and
